Behaviour Contract for International Students

Listed below are some of the conditions that international students must meet in order to attend Pacific Christian School. If a student seriously violates any of these conditions, the school may take appropriate action, which could include sending the student home at his/her parents' expense.

At school, students are asked to...

1. Be on time for all classes.
2. Attend all classes. A note from home is required for all excused absences.
3. Dress appropriately.
4. Demonstrate good effort and complete all work assigned by teachers.
5. Show courtesy, politeness and respect to teachers and students. Fighting and/or bullying will be seen as serious offenses and could be cause for sending a student home.
6. Refrain from the use of drugs and alcohol. Any student disobeying this expectation will be automatically sent home.

At home, students are asked to...

1. Abide by the house rules of the homestay family.
2. Attend church with the homestay family on Sundays.
3. Show courtesy, politeness and respect to the homestay family.
4. Make an effort to contribute to the life of the homestay family.

In addition, we ask that you note the following:

It is understood that the homestay parents and/or the custodian are NOT employees of Pacific Christian School and that they will be acting as the reasonably prudent parent providing reasonable supervision. In that regard, they will be doing such things as setting behaviour standards and curfews in their home.

Canada and Victoria are very safe by the world's standards and your child will be generally supervised both at school and by the homestay family. However, such supervision will not be constant and we cannot **guarantee** your child's safety while in Canada. Therefore, it is understood that Pacific Christian will not be legally liable should your child be injured while s/he is here. It is understood that any litigation arising from your child's stay in Victoria must be conducted in the province of British Columbia pursuant to the laws of this province.

We, the undersigned, have read, understood and agree to the conditions listed above as being the minimum conditions that must be met and maintained in order for our son/daughter to remain a student at Pacific Christian School. We also understand that, in the case of a serious offense, our son/daughter will be sent home at our expense.
