

# PACIFIC CHRISTIAN SCHOOL

## Celebrating 50 Years

As Pacific Christian School celebrates over 50 years of operation in Victoria, it is appropriate for us to acknowledge the sacrifice of the first community who laid the foundation for our school.

Putting their faith in God, they built a school at a time when money was scarce and there was no government funding. God blessed their faithfulness and we are the inheritors of their sacrifice.

As we continue to build and grow here at PCS, may God find us equally faithful!

### Business Office

businessoffice@pacificchristian.ca

**D.** Currently I am not able to financially give, but will continue to pray for PCS

## ANNUAL FUND DRIVE

2010/2011

"Unless the LORD builds the house  
its builders labour in vain."

Psalm 127:1

Thank you  
for your  
support!

a tax receipt will  
be issued for all  
gifts over \$20

## Why Are We Fundraising at PCS?

Throughout the years, PCS has depended solely on tuition to financially support the many educational and capital items needed to ensure an excellent overall program for all students.

We are striving to keep annual tuition at PCS as reasonable as possible; therefore we fundraise to help support current needs and specific projects within the school. Our ministry as a school needs to be at the forefront, and so we must depend on the entire PCS Community to help carry that torch into the future. So we ask you to prayerfully consider how you can help.

The benefits of giving to our Annual Fund Drive are...

- Your gift is fully tax deductible.  
(You get up to \$44.00 back for every \$100.00 given)
- **100% of gifts go to Christian education.**

A follow-up phone call will be made to ensure the information has been received.

## Your Gift Helps PCS...

- Ensure we have highly qualified and fairly paid teachers. A great school has a great staff!
- Offer diverse programming. PCS offers a wide variety of electives both during and after school that discover and strengthen individual gifts and interests.

- Develop a strong Christian worldview in our students. This is one of the primary ways we are distinct from other schools, and we believe it's the number one reason we exist.
- Develop the unique gifts of each student. We have students with a variety of abilities and backgrounds at PCS, and we want each child to grow to his or her fullest potential.
- Begin to allocate funds towards future endeavors, renovations, and upgrades.
- Alleviate the need for endless small fundraisers, thus enabling teachers to focus on teaching rather than collecting money and doing extra projects.

If the entire PCS community all participate in giving, we will see the school continue to function effectively. We encourage your prayerful support in this time!

High participation is the goal, and whether it's a small or large gift, it all adds up!

## Our Goal This Year Is To Raise \$30,000

The 2010-2011 school year is off to a great start. We are excited about the various activities and the events planned for this year and are pleased to be able to provide a rich offering of programmes. The generous donations received last year enabled the school to provide new teaching tools, which the students and staff are already benefiting from. We hope that you will prayerfully consider contributing this year and help us meet our goal of \$30,000.

The money raised this year will be used in these areas and others:

- Have the secondary school painted
- Enhance library resources
- Update the elementary computer lab
- Continue to offer tuition assistance

Last year your contributions went directly to these & many other areas:

- ✓ refinish secondary gym floor
- ✓ Smartboards for the elementary
- ✓ eco friendly/powersmart upgrades
- ✓ technology upgrades in the secondary

Last year our board, staff, parents, grandparents, and many friends of PCS contributed nearly \$40,000 to our drive. This shows strong dedication from our whole community and is something to celebrate.
