- Tuition is payable on the first day of each month via pre-authorized bank account debit. Parents are requested to return the form authorizing the school to debit their account along with a voided cheque for verification purposes.
You can deduct 1.5% off your tuition if the total tuition is paid in full by September 15, 2011 (cash or cheque).
- New families, with children in Grade 2 and up, pay a \$500 capital levy fee. This is waived if the family is transferring from another Christian school.
- Families starting after September 1, 2011 are asked to complete the pre-authorized form and return it to the office before their children start school.
- You are encouraged to pay tuition over the 10-month schedule if at all possible.** Families who choose to pay over 12 months should be aware that if they withdraw students before the school year is completed there will be an adjusting amount charged for deferred tuition.
- Parents are required to give a minimum of **ONE SCHOOL MONTH'S** notice of a student leaving or the following month's tuition will be charged. This means that families who notify us after June 1, 2012 that their children will not be returning to P.C.S. in September **will be responsible for September fees, at the 2011-2012 rate.**
